Tree Sponsorship Information:

- \$85.00 Sponsorship includes (1) 6'-0" to 7'-0" Pine tree and (2) Strands of Colored LED Lights. If you wish to add additional lights **they must be LED**, and **cannot flash/blink/dance!** The trees will be installed the week of November 18th and will be available to decorate the week of November 25th. All trees must be decorated completely by December 3rd. Once all trees are decorated the public will vote and a "People's Choice" Winner will be Crowned!
- You may pick up the number to your tree's location and LED lights at Maher/Highland Feed and Supply in Downtown Highland Station the week of November 25th.
- Decorations **MUST** be tied or wired securely to your tree to resist high winds, rain, snow and vandalism. Regular ornament hangers do NOT work. All décor must be "family friendly" items.
- Thank you/recognition will be provided in local publication, online and on Facebook.
- Cut off for applications is Sunday November 11th 2018.
- All decorations and lights must be retrieved by January 3rd so the Highland Downtown Development Authority can dispose of the trees environmentally.

I have read and understand the rules and guidelines for sponsoring a tree at the Highland Station Festival of Tree's Event.
