

Work Plan 2019

Organization Committee

Chairperson: Cassie Blascyk

Organization involves coordinating community efforts toward the same goal. The Organization Committee assembles the appropriate human and financial resources to implement a revitalization program. Partnering with various community groups, businesses and private investors to reach consensus on important issues and to maintain a shared vision for Highland, the Organization Committee builds a foundation for a successful downtown area. The committee is also the "personnel department" of the program, keeping the volunteers productive and happy, while creatively building a solid financial foundation.

The Organization Committee has identified the following projects for 2019:
